

10 year @ The Kendleshire Sarah Claridge Golf Week

To Celebrate being at the Kendleshire for 10 years (how many?) I am hosting a golf week in June, each day includes tuition and a small competition to complete the day. This week has been designed for both ladies and gents who would like to attend.

With the new Short game Zone now well in it's prime, the course bursting with a few new features! and our new under cover bays warning off all ra in clouds we are in for a fun packed week!

Tuesday 12 June

Course Management Day

Learn how to manage your way around the course on a bad day as well as a good day by routing your way around the course effectively and not be tempted to go for the impossible shot. You will get the answers to your questions: What do those Pro's write in their note books? Why do I never seem to take the correct club?

Why did I have such a bad score today I seemed to hit the ball so well?

It is advisable that you hold an official handicap for this day because of course play in the afternoon. (Please ring me if you have a question on handicap requirements)

Wednesday 13 June

Short Game School (Level 1)

The Level 1 Short Game School is my original Short Game School that I have run over the past 5 years. On this tuition day I coach you through the fundamentals of each basic short game shot, Putting, Chip Putt, Chipping, Bunkers and Pitching. The Level 1 day is a must to develop your technique before you tackle the Level 2 day that moves you onto overcoming those difficult shots that you get on the course.
